MY DOCTRINE: My place of business is centrally located in the best part of Barber county. My customers demand every article that is to be thought of in connection with the agricultural business, so it is necessary that I should at all times keep up a general stock. This I do. And selling in such large quantities, I can sell cheap. Therefore I can make it to the interest of parties from every section of the county to come and see me. I can show the spots of old Medicine Lodge, Harper, Kingman, Hutchinson or take prices or I won't change a cent for my goods.
